Beretta 695 FIELD 12/28"

The new 695 is a timeless end elegant field gun, and it is the top of the range in the 690 platform. The engraving on this model is a particularly fine, deep relief scroll made with the most advanced 5 axis premium laser engraving technology, giving the gun a sumptuous feel. With its exquisite engraving, premium grade three walnut, matched but pad in grade three wood and the silver oval on the bottom part of the stock, makes this stunning boxlock shotgun unique and to be highly sought after.

St. Jean Salmon Club

Full use of this historic and spectacular camp. Trip is for 4 rods arrival on the afternoon of Sunday August 4, fish from that afternoon to mid-day Wednesday August 7, 2019.

This exceptional camp is located on the banks of the Saint John River in Gaspé, Québec and is able to accommodate 4 anglers, each in a private room with private bathroom facilities and shower. Each bedroom also has a wood-burning fireplace stove to keep you nice and warm on those rainy days or cooler nights. Each angler has a private guide

Good angling is an important aspect of any fishing trip but great food is something high on our list as well. After your arrival at the Club you can speak to the chef and make the choices for your menu, taking into consideration your preferences and dietary needs. Bar fridges are well stocked with complimentary mixes, beer, fruit juices and a variety of carbonated drinks. The Club does not provide wine and spirits but there is a well-stocked liquor store only a short drive into town.

Trip includes accommodation at the lodge, all meals, fishing and professional guide service and transportation during your stay with us. Gratuities are not included in the auction price.
